

Data Sheet

Glenmoor & Winton Academies, Bournemouth

Reside Construction were appointed by Glenmoor & Winton Academies, based in Ensbury Park, Bournemouth, to extend and refurbish their dining area during the school summer break.

Glenmoor and Winton Academies are two successful, single-sex academies that enjoy a shared campus and teaching staff. The schools are part of United Learning, a group of schools providing education to children and young people across the country, in significant numbers of organisations in both the public and private sectors.

The scheme comprised an internal refurbishment of the dining hall to include new flooring, structural steelwork, new suspended ceiling, M&E works and decorations.

Planned for five weeks, the project was completed to time and budget, and handed over to the client ready for the start of term in September 2019.
