

Project Data Sheet

Slackstead House, Braishfield

reside
construction

We were contracted to build this substantial, luxury dwelling in the heart of the beautiful Hampshire countryside for a private Client. The external façade has many masonry features and the property combines a traditional look with modern technology and sumptuous finishes to provide a state of the art living experience. The project was completed in 16 months and was within budget, much to the Clients delight.

Architect—Jon Dale Architect Ltd | Structural Engineer—Hurst Peirce & Malcolm LLP
